

DocuMate 5540

Scan difficult documents including ID Cards, simply and efficiently

INSPIRE YOUR DEPARTMENT TO BECOME MORE PRODUCTIVE

Designed with features that will change how you look at and manage paper documents, the DocuMate 5540 will help employees reduce paper in the office, share documents electronically, search and retrieve documents quickly and back-up documents for protection or archiving. Unorganised paperwork is not only a security risk, but traditional filing methods are expensive to store and difficult to search. Installing fast, cost-effective departmental scanners, like the DocuMate 5540, throughout your organisation will help employees achieve higher levels of productivity and provide an almost immediate return on investment.

ENGINEERED FOR ANYTHING

You don't always know what documents will cross your desk next. You might have clean laser quality pages today, but tomorrow there may be multi-part forms, embossed ID cards, or mixed batches of all these. With its high-quality CCD (charge-coupled device) imaging sensor, the DocuMate 5540 handles it all. The 70-page automatic document feeder makes it quick and simple to capture both sides of long documents as well as plastic cards including driver's licenses and medical or insurance cards. Easily scan books, magazines, binders or other bulky items on the A4 /legal sized flatbed. And all documents can be converted to text-searchable PDF or other popular file formats in one easy step.

ONE TOUCH

Save time on common tasks by creating up to 9 scan-to shortcuts. The DocuMate 5540 is powered by OneTouch technology to scan documents using the optimal settings for resolution, colour, duplex, auto-crop, auto-straighten, file formats as well as the files destination be it a local folder, email, software application, printer or even the cloud. All at the touch of a button. Not only is this a productivity gain, but it greatly reduces the training requirements for scanner users. As a shared device, the DocuMate 5540 improves efficiency and ROI in the office.

Never miss a page due to a misfeed or from multiple pages going through the scanner at once. Advanced roller separation technology and adjustable Double Feed Detection is built into the scanner for security against lost images. Scan without sorting your mixed media pages of different sizes. The DocuMate 5540 will exceed your expectations and achieve all of your scanning requirements at one touch of a button.

MAC COMPATIBLE

For Mac users, the DocuMate 5540 includes a fully featured TWAIN driver, ICA support, and a simple yet powerful Scan Utility, allowing you to get started right out the box.

Features:

- Scans documents up to 40 ppm and 80 ipm in duplex*
- Daily Duty Cycle – 5,000 pages
- Legal size flatbed
- 70 page ADF capacity**
- Create text searchable PDFs in one touch
- Scans plastic cards through the ADF
- Programmable OneTouch destinations for workgroups
- Ultrasonic Double Feed Detection

*200 or 300 dpi, b&w, greyscale, or colour

**75-80 gsm paper

Received the "Highly Recommended" rating and Certificate of Reliability from Buyers Lab Test Report, plus Outstanding A4 Flatbed Mid-Size Workgroup Scanner from BLI Summer Pick Awards.

DocuMate 5540 Scanner Software Solutions

ONETOUCH

OneTouch is an easy-to-use utility that connects the DocuMate 5540 scanner with a powerful set of scanner settings to greatly improve the efficiency of your workflow — so that with one touch, the document is scanned automatically to email, Microsoft Word, your printer, or simply a file folder. In addition to scanning directly to all popular destinations, OneTouch also links the DocuMate 5540 with industry-leading document management software, such as Xerox DocuShare or Microsoft SharePoint — forming an easy-to-use workflow from paper to a selected destination. A Software Development Kit (SDK) is also available which provides the ability to develop specific links and integrate them into the OneTouch control panel quickly and easily.

ACUITY

Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

NUANCE OMNIPAGE ULTIMATE

OmniPage Ultimate provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.

NUANCE PAPERPORT

Millions of professionals rely on PaperPort to save time and money by transforming paper documents into searchable digital documents. PaperPort combines the efficiency of document management, the convenience of superbly scanned documents and the power of creating PDF files, to bring a new level of operational proficiency to your organisation.

NUANCE POWER PDF

Nuance PDF Converter 1.20 is the smarter PDF software choice for businesses. Combining powerful functionality, superior Microsoft Office support, built-in intelligence, DMS integration, and intuitive ease of use, Nuance Power PDF provides everything you need to create, convert, edit, assemble, and securely share PDF files for increased productivity, enhanced collaboration, and improved compliance.

Detection	Ultrasonic Double Feed Detection
Maximum Card Thickness	1.25 mm
Dimensions (paper trays extended)	691mm (w) x 319mm (d) x 431mm (h)
Weight	8.4 kg
ADF Minimum Document Size	70 x 51 mm
ADF Maximum Document Size	216 x 2997 mm
Flatbed Minimum Document Size	13 x 13 mm
Flatbed Maximum Document Size	216 x 356 mm
Document Weight	28*-400 gsm paper
ADF Capacity	70 pages (75-80 gsm paper)
Duty Cycle	5,000 pages/day

BOX CONTENTS

- DocuMate 5540 Scanner
- Power Cable
- USB 3.0 Cable
- Power Supply
- Quick Installation Guide
- Technical Support Card
- DVD-ROM including:
 - User's Manual
 - Nuance OmniPage Ultimate
 - Nuance PaperPort
 - Nuance Power PDF
 - OneTouch
 - Acuity
 - Scanner Drivers: TWAIN, EMC Captiva, ISIS and Microsoft Windows Image Acquisition (WIA) Driver

N A N E

PC MINIMUM SYSTEM REQUIREMENTS

PC

- Intel Pentium 4 or equivalent processor
- Windows 10 / 8 / 7 / Vista / XP
- 2GB RAM
- 350 MB available hard disk space
- DVD-ROM drive
- USB port

MAC

- 1.83 GHz or faster Intel Core processor
- Mac OS X v10.6 – 10.11
- 2GB RAM
- 350 MB available hard disk space
- DVD-ROM drive
- USB port

MAC SOFTWARE SOLUTIONS

Mac TWAIN

The Mac TWAIN driver offers all of the features of Acuity Image cleanup built in. No 3rd party software needed. Blank Page Removal, Auto Colour Detect, Auto Rotate are just a few of the standard features. It also includes a digital endorser to add text to your images, the ability to read barcode data (3rd party software required to interpret barcode data), and merge two sides.

Scan Utility

If there is no scanning application on your Mac, a simple but effective scan utility is included, allowing you to take full advantage of all of the drivers' features. Simply put, set your driver preferences, select an image format (BMP, JPG, GIF, PDF, MPDF, TIF and MTIF), choose where you want to save your images to, and start scanning.
